DECLARATION UNDER RULE 47(a)

Hon. Commissioner of Patents and Trademarks
Washington, D.C. 20231

Sir:

I, **Katie Horn**, declare:

1. I am an Administrative Legal Coordinator for Symbol Technologies, Inc. ("Symbol") of Holtsville, New York, the party with proprietary interest in this application and work with Daniel R. McGlynn, a patent attorney registered under No. 26,570 with the U.S. Patent and Trademark Office. Mr. McGlynn is an attorney of record in this

case, having been appointed by all the inventors, except for one missing inventor, as explained below.

2. This case was filed on January 20, 1998 with an unexecuted Declaration and Power of Attorney. There are eight inventors: Mark KRICHEVER; Joseph CAMPANELLI; Lisa COURTNEY; Peter FAZEKAS; Joel KAHN; Jerome SWARTZ; Vladimir GUREVICH and Boris METLITSKY.

3. Mr. Krichever, the first listed inventor signed the accompanying Declaration and Power of Attorney on his own behalf, and on behalf of the second listed inventor, Mr. Campanelli, who has *refused* to execute the Declaration and Power of Attorney.

4. Mr. Campanelli is a former employee of Symbol and was required to assign all inventions made during the course and scope of his employment to Symbol.

5. Mr. Campanelli resides at 121 Marshall Drive, Selden, New York, 11784.

6. On or about March 23, 1998, I sent the application, drawings and Declaration and Power of Attorney, which was attached to the application, to Mr. Campanelli, along with a cover letter requesting him to sign, date and return the Declaration and Power of Attorney together with the application papers. A copy of the cover letter is attached and marked as *Exhibit No. 1*. These papers were sent by *UPS Next Day Air Service*. A copy of the airbill signed by me is attached and marked as *Exhibit No. 2*.

7. These papers were not returned. On May 1, 1998, I again sent a duplicate set of the papers to Mr. Campanelli. A copy of the second airbill also signed by me is attached hereto and marked as *Exhibit No. 3*.

8. I have been advised by Mr. Campanelli's wife, who is an employee of Symbol, that Mr. Campanelli *will not sign the Declaration*.

9. Mr. Campanelli's refusal to sign is causing irreparable damage to Symbol.

10. I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

Dated: September 30, 1998
